

We Are Grown

The purpose behind the G.R.O.W.N. network group is to bring like- minded women together in a space where they can feel comfortable to share the Highs and Lows of the many accomplishments they have had over many years of being in work environments that they may have been stifled. This is a fear free environment. Develop yourself to reach the goals and accomplishments to be that powerful GROWN WOMEN.

Our Focus

The group will provide solid networking relationships and resources for women to be able to take their entrepreneurial business to the next level with the focus on launching as a required goal

Flexibility

We may have speakers that will not be entrepreneurs, but can provide solid and beneficial information to our group. This will include speakers and presenters from corporate companies, government agencies and private businesses. The membership is only for GROWN Women.
